Our Joy Knows No Bounds - Our God Reigns!

As we move forward in steadfast faith, our joy will become greater. Jesus has utterly decimated the works of hell against His Church.

We are witnessing it in personal ways and in the land where we live. We see injustice, yet we are seeing God's justice rolling down like a river over it!

Coming out of celebrating the week of remembering the Resurrection of Christ, we are reminded of Jesus's victory and why He came: To defeat death and save us from the enemy.

There's not one thing the enemy was given victory over. The work Jesus wrought on the Cross is the FINISHED work of Christ.

He declared it before He gave up His Spirit; everything in hell, and from hell, was defeated, and everything His grace does in our life was completed, perfectly.

We know we have entered a time in history where we are going to see this manifest more: His grace. The Apostles who walked with God anticipated it. It's encouraging to expect our joy to have no boundaries in trials and in the triumph over them, and our triumph over our carnal ways. It is with great joy that we anticipate His grace to meet us in all things.

We acknowledge our joy is complete in both the external and internal battles.

It is exciting to live in these times even though it is becoming darker, our joy knows no bounds, we trust that our God Reigns!

Scriptures:

John 19:30 - "When He had received the drink, Jesus said, "It is finished." With that, He bowed his head and gave up His spirit."

John 15:11 - "These things I have spoken to you, that My joy may be in you, and that your joy may be full."

Revelations 1:18 - "I Am the living one. I died, and behold I am alive forevermore, and I have the keys of Death and Hades."
