California - in a turning point -

God, You're moving in our midst.

As I was interceding for our beautiful state, I felt the Lord's fierce love for His people here. We are witnessing nonsense on so many levels in our state and country- it's actually hard for us to keep up with the increase of the spiritual battles of our state.

We are made aware of them, because each social and political issue that's manifested in the physical realm is a result of the battle ensuing in the spiritual realm.

None of this should cause us, God's saints, to become discouraged. In fact, we should rejoice because we can see clearer now, more than ever. The people of our state are becoming easy to identify as either for Christ or against Him.

The levels of darkness and light have come to a turning point- the ones choosing evil have turned fully towards it and the ones for Christ, are turned fully to Him. It's a defining moment.

We witness it on people's FB pages, in daily conversations and we see it in our immediate and extended family gatherings.

Holy Spirit is making it plain to us. We rejoice that we have been given life and have become even brighter in the dark so others may know Christ. We don't know the future and California may never be saved but the greater distinction between light and darkness has become the turning point for many. With this, we will become unified in Christ to stand & spread the Good News of Jesus without fear. God is truly moving in our midst. He is making a way for us to do the impossible in the midst of darkness.

Scriptures-

"I AM the light of the world. Whoever follows me will never walk in darkness, but will have the light of life"
John 8:12

"You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven." **Matthew 5:14-16**

"I have told you all this so that you may have peace in me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world." **John 16:33**
