Amidst a state of chaos, California is birthing oaks of righteousness

In 2018, I had a significant dream. I had just moved to the mountains a few weeks before, and I thought I was dreaming when an earthquake shook our home. I thought to myself, "Wow! That felt like the earthquake was right here."

In my dream, before I was awakened by the earthquake, I heard the Lord's voice in my dream. He said, "I am in the mountain." A few moments later, I got up, turned on the lights and called out to see if my kids were okay. They were.

At that moment, I felt led to Google if we had an earthquake and I wanted to know where the epicenter was. It was in my city, Big Bear City, California. Whoa Lord! I became a bit terrified after I heard the Lord say, "I am in the mountain" and even more so when I learned where the epicenter was.

I sat up in bed and right before my eyes, I saw a transparent map of California being outlined by the color red. The impression I had was that the Holy Spirit was outlining California with the Blood of Jesus. It was transparent because I could still see through to all the items behind the shape of California that were in my bedroom. The next thing I saw was this transparent outline of California being filled up with red, from the north to the south. It flowed as if the blood of Jesus was flowing throughout the entire state. Then I saw little lights popping up everywhere. God said, "Look closer." They were oak trees and God said, "There will be oaks of righteousness raised up in California." Everyday, we are seeing the increase of evil and corruption in our beautiful state and yet I am reminded of the scripture: Isaiah 59:19 -

“So shall they fear the name of the LORD from the west, and His glory from the rising of the sun; when the enemy comes in like a flood, the Spirit of the LORD will lift up a standard against him.”

Those oaks of righteousness are you, His people, and the Lord will have His way here despite the chaos. God is going to show Himself strong on behalf of His people here. We will continue to stand on the Word and see many oaks of righteousness raised up to complete our Isaiah 61 mandate.
