We have made inroads for victory in California

Hello Prayer Warriors in Christ for California-

During my prayer time- I stood in agreement with you all regarding the condition our government and state is in, and I saw in the spirit, the word "inroads" in the land of California. It was literally the word, " INROADS " across the span of California, lengthwise. It was as if I was seeing it from an aerial view.

Be encouraged because our prayers have made deep furrows of victory in Christ in the land, and they cannot be removed.

I looked up the definition and have to share. According to Webster's dictionary "inroads" is a noun and it means:

1. Progress, an advance, 2. A hostile attack, a raid.

What does an inroad do?

The purpose of an inroad is to advance the pathway that has been established into the territory that was not available before. I sense great victories will be ours in our state over the next 3 years despite the corruption we are seeing now, Our prayers, along with many other Saints interceding for California, have created these. Praise Jesus!!

Let's press on in Jesus Name!

Scriptures:

Galatians 6:9

“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.”

James 5:16

“Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much”

Matthew 19:26

"Jesus looked at them and said, 'With man this is impossible, but with God all things are possible. '"

Deuteronomy 1:6-8

“The LORD our God said to us at Horeb, “You have stayed long enough at this mountain. **7** Break camp and advance into the hill country of the Amorites; go to all the neighboring peoples in the Arabah, in the mountains, in the western foothills, in the Negev and along the coast, to the land of the Canaanites and to Lebanon, as far as the great river, the Euphrates. **8** See, I have given you this land. Go in and take possession of the land the LORD swore he would give to your fathers—to Abraham, Isaac and Jacob—and to their descendants after them.”

The song I felt led to use for this week is an old hymn but the words are so appropriate.
