

Prayer Focus by Christianna Schreifels

Sept. 4th-Sept. 10th, 2023

Claiming back our land, repenting, declaring God's Word, closing evil portals in Jesus Name

I believe this is a key prayer focus for all of us interceding for the state of California. I am sharing some information that the Holy Spirit is teaching me about and I will not be surprised if there are some or many of you that will see this as a confirmation to what God has been showing you too. I share this with humility and awe of what God is doing in our lives and in our beloved state of California through each one of us. You are a blessing.

On Saturday, a dear sister arrived in Southern California from Mississippi. She simply came because she obeyed the prompting of the Lord to come and pray over the land among the highest mountains of Southern California. Since I have lived in the Big Bear Lake mountains with my family, we have experienced intense spiritual warfare for a consistent six years.

With her being here and without any provocation on my end, Jennifer simply shared what she was led to by the Holy Spirit. She also has an apostolic anointing and is on her own assignment to bring Christ to the First Nations. She is of the Choctaw tribe, and I too am a First Nations' person but just recently learned of this in my genetics. Why is standing in proxy of the First Nations peoples important? I found the easiest way to explain the importance is because of this definition: First Nations [Wikipedia https://en.wikipedia.org/wiki/First_Nations](https://en.wikipedia.org/wiki/First_Nations) First Nations usually refers to **Indigenous peoples, for ethnic groups who are the earliest known inhabitants of an area.**

So- It makes sense, since what they did on the land and what they came into agreement with matters for the future generations and time and we can walk in our God given authority as a representative of our Creator and change it.

Here is how we prayed-

We were led to pray on the side of a mountain and the next day, over the waters- there are 3 lakes in my region, Big Bear Lake is the largest one, but we prayed over the smallest one the next day for a reason we felt was God's leading.

How we can pray- this is only a suggestion, please only do what the Holy Spirit is directing you to do. Where the Spirit of the Lord is, there is freedom. (2 Corinthians 3:17)

If you are of the First Nations or simply are being led by the Holy Spirit to stand in proxy of the First Nations - We have been on a Daniel fast and have been openly repenting of everything from generational sins to our personal sins too and will continue this until we are directed to do otherwise by the Holy Spirit.

- 1.) Worship in the region God has called you to, whether you reside in that region or are partnering with others to pray for a specific region for California.
- 2.) We anointed the Land with oil. (Before going -Taking communion is a wonderful idea with your prayer group too or take communion on the land you are praying for.)
- 3.) We repented on behalf of the First Nations people, of being enticed by the nephilim that the First Nations' engaged with to gain false authority and false power (as the nephilim led creation away from the One, true God and His holy ways and His instructions for righteous living) and we asked the Holy Spirit to close all the evil portals in the region we were representing that day because we are the representatives of the true Kingdom of the Living God, Yahweh, and the counterfeit kingdom will bow to their Creator in Yeshua's Name.
- 4.) We repented of the witchcraft in the region, and we also repented for the Christian leaders in the region that have been enticed by the demonic principality in the region unknowingly or knowingly.
- 5.) We took First Nations arrows that had been prayed over by the redeemed of the Lord and struck the ground as many times as the Lord told us to. The 1st time was 12 times on the mountain - representing the governmental anointing as we are representing the government of God's Kingdom. **Twelve** *shtayim esre [f.] shnayim asar [m.]* perfect government, order, organization, united, perfect subdivisions of time (12 hours in day, 12 months in a year, 12 primary constellations) and of people (12 tribes of Israel, 12 Disciples/Apostles). This demonstrates a holy people serving a holy God based on the Creator's clock and calendar.
- 6.) The second day we struck the water 4 times. Four is indicative of AUTHORITY. The fourth branch on the Menorah is the center, main shaft. It is the source for the other six branches. Yeshua stands in the midst of the menorah. (Rev. 1:12-13) On the fourth day of creation, YHWH declared His GOVERNMENT of the earth and all who dwell in it by creating the sun, moon, and stars.
- 7.) Jennifer played her drum, and I blew the Shofar.
- 8.) We then worshiped aloud, and we declared scripture over the land.
- 9.) We declared the Blood of Jesus over the region and ourselves.
- 10.) We will be returning and going to specific regions as the Holy Spirit leads.

Thank you for allowing me to share.

Scriptures:

Deuteronomy 26:5-9 (Our afflictions in the land will be redeemed)

You shall answer and say before the LORD your God, 'My father was a wandering Aramean, and he went down to Egypt and sojourned there, few in number; but there he became a great, mighty and populous nation. And the Egyptians treated us harshly and afflicted us, and imposed hard labor on us. Then we cried to the LORD, the God of our fathers, and the LORD heard our voice and saw our affliction and our toil and our oppression; *read more.* and the LORD brought us out of Egypt with a mighty hand and an outstretched arm and with great terror and with signs and wonders; and He has brought us to this place and has given us this land, a land flowing with milk and honey.

Deuteronomy 26:1 (It is yours as an inheritance to do good in it and live in it)

"Then it shall be, when you enter the land which the LORD your God gives you as an inheritance, and you possess it and live in it,

Matthew 5:5 (what God calls us to be to inherit the land)
