We are being prepared to **Take Dominion**

This past week I kept seeing a consistent theme in the spiritual realm regarding the Kingdom of God.

The whirlwind of changes in the earth, and the cries of creation we are hearing with greater clarity - the theme is God is preparing us to take dominion. This week we remember the assault on our nation from 9/11. Chaos has only been quieted for small respites and we are being transformed into a people for Christ not just withstanding the storms but taking dominion on this earth- our rightful place because our heavenly Father tells us to do so in scripture.

As I was praying, I saw a vision - I saw a clasp being locked into place as one does to secure a valuable bracelet on one's wrist. It was a solid, thick silver chain. The pieces of the chain were more like solid pieces of silver, being linked together with that locking clasp.

Then the vision was enlarged. I was no longer focusing on the solid pieces of silver being linked together- I was now seeing the background where the silver, solid chain, being added to was in front of golden wheat fields that were flowing in the gentle winds. This picture was stunning. Breathtaking.

I thought it an odd thing to see - what looked like a pure silver fence now with more of the links being added and an endless field of golden wheat.

I had a sense of wonder and great peace seeing this vision as it came more clearly into view.

The silver links that looked like a chain were actually fashioned sections of a silver fence. I had to walk away and wait on this to receive clarity from the Holy Spirit.

This message was clearly for God's watchmen, the intercessors in our nation and states - a call to pray for their protection; to cooperate with the Lord.

This is what I heard as I prayed- Holy Spirit is saying -

The season of the harvest has begun; the fields are ripe to be harvested- the silver linked fence outlined the field of the harvest. It represents the Blood of Jesus that was shed for the cost of

saving the souls of men. Silver in Hebrew has two meanings highlighted to me. One was the 30 shekels Judas was given as “blood money,” when he betrayed Jesus right before His crucifixion. **(Matthew 26:14-16)** The second one is found in **Psalm, 12:4-7**, **“The words and promises of the Lord are pure words, like silver refined in an earthen furnace, purified seven times. You will preserve and keep them; You will protect him from this evil generation. “**

It is the hedge of protection we have in this evil generation. It will protect the harvesters as they bring in the harvest of souls. I understood this to be incredibly powerful- because the “blood money,” that betrayed him, is the very Blood He **willingly** shed to purchase the harvest of that field that is His! It is HIS TREASURE. He paid everything for it so too will He also protect it with His blood in the harvest.

Then the Holy Spirit said to look up this scripture, **Matthew 13:44-46**, **“The Kingdom of heaven is like a {very precious} treasure hidden in a field, which a man found and hid again- then in his joy, he goes and sells all he has and buys that field (securing the treasure for himself.**

This is Jesus. Glory!!!!

I kept interceding and received an intense impression of the harvesters being fiercely protected to do the work of harvesting by the Lord until the appointed time when each Saint is called home to glory. I also heard the Holy Spirit say, there will also be those who glean the field for the leftover wheat just as Ruth gleaned. Not one soul will be lost in this harvest. WOW Jesus! Then, the final thing I heard was this scripture,

Mathew 24:37, “And from the time John the Baptist began preaching until now, the Kingdom of Heaven has been forcefully advancing, and violent people are attacking it.”

We will see and hear about the harvest. We will need the harvesters. We are the harvesters. The violence we experience as believers will be rewarded since we are choosing to walk in the sufferings of our Lord and Savior.

Just in writing that, it has so much to unpack but I believe thus far, we all understand. We are grateful to the Lord, Amen! It’s our “GO” time, Be encouraged... God, You deserve all the Glory!
