

PRAYER FORCE

The WAR is DECIDED in the HEAVENS

Prayer Focus

Sept. 18th-24th, 2023

by Christianna Schreifels

California - there is a **SHIFT** in your direction.

Writing this prayer focus brings me great joy. This past Saturday, a few women and I embarked upon the state capitol to wail, and war on behalf of our children, the unborn children, and the people of California.

We repented of our sins & then of the wicked in our state, we took communion and then poured the contents of the communion cup onto the land and broke the bread onto the land at the state capitol. We anointed the land with three anointing oils we were given for this specific assignment. These were named: knitting our nation together, unity and jubilee respectively. We blew shofars and anointed the doorpost of the state capitol.

We acted out, prophetically, what the Holy Spirit instructed us to do. We destroyed the altars of Baal and repented of the innocent bloodshed of both the unborn and all sacrificed.

Another precious woman destroyed the present educational system and repented on behalf of any teacher, administrators and staff in the schools teaching the progressive agenda.

She declared it shut down and void in Jesus Name.

We prophetically shut down the borders and also declared the wicked rulers would become unseated in Jesus Name.

Another precious warrior, danced over the entire capitol steps and entrance with her flags appealing to the King as Esther did on behalf of the people of God,

We canceled the leftist agenda and declared the ones in Christ that work in all sectors of our government, become courageous and speak up for righteousness's sake.

We addressed every issue in our state that is not pleasing to the Lord.

As we closed out in prayer- I saw a vision of our golden state and it looked like a road headed south, literally and then it shifted, heading north and we all felt the Lord say, "Watch for good change in California." We all felt a literal shift in the atmosphere. Hallelujah Lord.
