Decree God's Word over the people, our state & the state of it

These past few weeks I believe that the Holy Spirit is clearing paths, removing distractions, and bringing us great clarity for what's to come. What I mean by this is - the specifics that God is asking us to do in the next few years. The road to here has not been easy for anyone but it has been worth the journey we each have endured. I saw great opposition on the horizon where peace once was for citizens, there are areas of business and even travel where more are controlled in our beloved state. We all see it. What I hear the Holy Spirit say- is this," My grace is sufficient. I will see to it that every controlling demand upon my people will not hinder them- and they will thrive in Babylon."

Our voices, our words, our mouths, our thoughts- I just sense an urgency that we need to steal ourselves away from the normal schedule and get into our prayer closets and declare into the atmosphere what God is telling each one of us - decree His Word over our state, over the governing bodies, over the atmosphere, over the gas prices and the lot that controls this, over the truck driver emissions new legislation that'll tank our state, over the school system. We were given dominion not the counterfeit, they are trespassing and have usurped what is ours.

As much as we know what the Word says will come, we are still the ones who are called to mitigate the affairs of earth and occupy till He comes. I am reminded that the "occupy movements," that have happened and are happening are political ploys that gain mass media attention. Well, let's do the same for the sake of righteousness in Jesus Name! **Let's declare God's favor and grace over the righteous people of God in our state** and the innocent people. I see us thriving and bringing attention to our Savior as the world sees we carry what they need- Christ!

Prayer points:

- 1.) Wisdom to know when to speak and do an assignment-, when to rest and recover. Pray that our timing is in sync with the Lord's is crucial right now.
- 2.) Let's pray for the Lord to disrupt the lives of the wicked- so the enemy's timing of things is thwarted/canceled.
- 3.) Let's pray that miracles that are happening get the mainstream media's attention and God gets the attention of the Jewish people, so His people are saved.
- 4.) Pray for truck driving legislation is canceled in Jesus Name.
- 5.) Pray for the public school system to be shut down entirely so that children are spared the evil doctrine that most districts are promoting, and parents have to consider better alternatives. We ultimately ask His will be done!
