### **The mothers are on the move**

This weekend was significant because many of us celebrated Mother's Day. Prior to yesterday, there are many prophetic words that have been released in the past year that speak of Esther's rising, mother's rising, God's daughters rising - mothers that have children in the natural and have spiritual children in the kingdom of God. The Lord is raising up many mothers in order to parent, and to equip the present and future generations- possibly a last one?

We are also witnessing the systematic attack of the children's identity in this culture, through the promotion of the alternative lifestyle and the newest attack, on their physical bodies and by glorifying the transgender lifestyle. This includes the potential of their bodies being changed forever. Our medical and educational systems are a part of it. Some teachers and physicians are no longer doing their job, protecting children, but are being used to exploit them in the name of politics and income. The most ironic thing about all this is the TRUTH of CHRIST is becoming even louder in the face of these evils because the Lord is raising up Mothers in this critical hour.

These Christ-centered Moms are nurturing children's identities and imparting wisdom and unconditional love so that these children grow and will succeed in who they are meant to be - first in the spirit and secondly, translating that into grown - living out loud in real-time life adults, for Jesus. God's moms are going to increase in number, in boldness and in their faith. God's favor is upon these women because the Holy Spirit is preparing us for our finest hour- preparing the way for our King's return, alongside the fathers He is raising up as well. The Lord will have His way in a greater display through the children versus all the evil present, trying to steal the attention away from Him.

### **Prayer points:**

- 1.) Let's pray for godly single Moms to be strengthened and ask the Lord to bring them financial breakthroughs such as ideas for businesses they may do at home. Pray the Lord bring them His Boaz. Pray for the Lord to bring salvation to the many single Mom's that do not know Him yet.
- 2.) Let's pray for the family unit in the church to be strengthened.
- 3.) Pray for discipleship hubs to be planted in churches and house churches.
- 4.) Pray for godly women that are tenacious followers in Christ in our state, to be raised up and given the specific resources they are needing so they may carry out the vision the Lord has given them for their assignments.
- 5.) Pray for the most vulnerable children in our state to have exposure to the message of Christ.
- 6.) Pray for a godly, counter culture to rise and thrive well in our state, in the face of evil.

### **Scriptures:**

- 1.) **Proverbs 31:28** "Her children rise up and call her blessed; her husband praises her as well:"
- 2.) **Psalms 68:6** "God places the lonely in families; he sets the prisoners free and gives them joy. But he makes the rebellious live in a sun-scorched land."
- 3.) **Psalms 127:3** "Children are a heritage from the LORD, offspring a reward from him."
- 4.) **1 Corinthians 11:3** "But I want you to realize that the head of every man is Christ, and the head of the woman is man, and the head of Christ is God."
- 5.) **Isaiah 1:17** "Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause."
